

Product Sheet **APLUS Copy Paper**

General

APLUS Copy Paper is a high-quality, reliable copy paper for everyday use.

Standard Basis Weight Range

70/80g/m²

A4 in 500 sheets/ream

5 reams per box

Usage Area

APLUS Copy Paper is an economical copy paper that provides excellent black & white copying and printing. Ideal for internal reports, documents, memos, manuals and general printing and copying. Suitable for copiers, laser printers, plain paper faxes and inkjet printers.

Environmental

APLUS Copy Paper is produced from Elemental Chlorine free (ECF) pulp.

APLUS Copy Paper is recyclable:

- Ream: Paper/Polyethylene
- Box: Corrugated board
- Pallet: Wood
- Shrink-wrap for pallet: Polyethylene

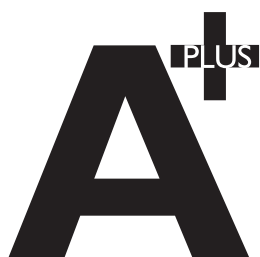

Production

APLUS Copy Paper is produced from a mix of ECF short and long fiber pulp from sustainably managed forests. Locally processed calcium carbonate is used as filler. The paper is neutral sized.

APLUS Copy Paper is produced in an ISO9001 and ISO14001 certified mill for Quality Management System and Environmental Management System respectively.

| Characteristics | Test Method | APLUS Copy Paper | |
